

CITY OF HAYWARD
AGENDA REPORT

AGENDA DATE 04/18/06
AGENDA ITEM 6
WORK SESSION ITEM

TO: Mayor and City Council

FROM: Director of Public Works

SUBJECT: Hesperian Boulevard and West "A" Street Pavement Rehabilitation:
Approval of Plans and Specifications and Call for Bids

RECOMMENDATION:

It is recommended that the City Council adopt the attached resolution that approves the plans and specifications for the Hesperian Boulevard and West "A" Street Pavement Rehabilitation project and calls for bids to be received on May 16, 2006.

BACKGROUND:

On September 21, 2004 and June 7, 2005, the City Council authorized staff to apply for federal funding for local street and road rehabilitation in the amount of \$843,000, which is the City's population-based share of the \$8 million allocated to Alameda County. Federal funds require a match of at least 11.5 percent of the total project cost.

The project consists of deep-lift asphalt concrete spot repairs, grinding of existing pavement, and pavement overlays on Hesperian Boulevard from Sleepy Hollow Avenue to Industrial Boulevard and on West "A" Street from I-880 to Hathaway Avenue.

The project is categorically exempt under section 15301(c) of the California Environmental Quality Act Guidelines for the operation, repair, maintenance, or minor alteration of existing facilities. Additionally, the Local Assistance Branch of Caltrans concurs that the project is categorically excluded from the National Environmental Policy Act.

As the project is primarily funded with federal funds, the federal Disadvantaged Business Enterprise (DBE) program applies. Under this program, there is no separate category for Women-Owned Business Enterprises (WBE), and a single goal can be met with any combination of DBEs and/or WBEs. The established goal of 8 percent for this project is based on staff's evaluation of available subcontracting opportunities for this project and an analysis of which portions of the subcontracting work would be reasonable to set aside for DBE participation.

PROJECT COSTS:

The estimated project costs are as follows:

Contract Construction	\$ 860,000
Design and Administration	45,000
Inspection and Testing	65,000
TOTAL	<u>\$ 970,000</u>

FUNDING:

The 2005-06 Capital Improvement Program includes \$953,000 in the Street System Improvement Fund for this project. If necessary, an additional appropriation will be requested at the time of award. As noted previously, the City will receive \$843,000 in federal funds for the project. In addition, the City will receive \$38,000 from the Alameda County Congestion Management Agency's Transportation Improvement Program.

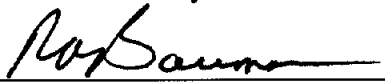

SCHEDULE:

Open Bids	May 16, 2006
Award Contract	June 6, 2006
Begin Work	July 3, 2006
Complete Work	September 27, 2006

HAYWARD CITY COUNCIL

RESOLUTION NO. 06-

Introduced by Council Member _____

**RESOLUTION APPROVING PLANS AND
SPECIFICATIONS FOR THE HESPERIAN BOULEVARD
AND WEST "A" STREET PAVEMENT
REHABILITATION PROJECT, PROJECT NO. 5158 AND
CALL FOR BIDS**

BE IT RESOLVED by the City Council of the City of Hayward as follows:

1. That those certain plans and specifications for the Hesperian Boulevard and West "A" Street Pavement Rehabilitation Project, Project No. 5158, on file in the office of the City Clerk, are hereby adopted as the plans and specifications for the project;
2. That the City Clerk is hereby directed to cause a notice calling for bids for the required work and material to be made in the form and manner provided by law;
3. That sealed bids therefor will be received by the City Clerk's office at City Hall, 777 B Street, Hayward, California 94541, up to the hour of 2:00 p.m. on Tuesday, May 16, 2006, and immediately thereafter publicly opened and declared by the City Clerk in Conference Room 4D, City Hall, Hayward, California;
4. That the City Council will consider a report on the bids at a regular meeting following the aforesaid opening and declaration of same.
5. The project is categorically exempt under section 15301 (c) of the California Environmental Quality Act Guidelines for the operation, repair, maintenance, or minor alteration of existing facilities.
